

INVITATION FOR EXPRESSION OF INTEREST (EOI)

From Qualified IT Solution Service Providers State Timber Corporation (STC)

Procurement No : STC/PSM/2025/Pro-15

Design, Development, Implementation and Maintenance of an Integrated Business Process Reengineering (BPR) and Enterprise Resource Planning (ERP) Solution for the State Timber Corporation (STC)

Introduction

1. The State Timber Corporation (STC) was established in April 1968 under the State Industrial Corporations Act No. 49 of 1957. STC delivers an excellent service for Toto Produce timber and timber based products for our customers through the knowledge and skills gained over the time and to contribute to the national and environmental demands of Sri Lanka.
2. In line with the present digitalization context, availability, and dissemination of a speedy and updated, accurate Integrated Enterprise Resource Planning (ERP) Solution is required. It is also vital for appropriate decision making of policy makers as well as cost effective and satisfactory service delivery through public institutions.
3. Therefore, The STC has decided to seek the assistance of qualified IT consultancy experts to fulfill the above requirements ERP

4. Objectives of the ERP Solution

- I. To analyze and reengineer existing business processes across all functional areas of STC for enhanced efficiency and alignment with best practices.
- II. To design, develop, and implement a modular, scalable, and secure ERP solution that fully integrates STC's operations.
- III. To ensure the ERP system is developed using modern, open-standard technologies and is accessible via web and mobile platforms.
- IV. To support long-term maintenance, system upgrades, and capacity building over a 10-year period.

5. Eligibility Criteria

To be eligible for submitting EOI, the successful Information System solution service provider shall not have been blacklisted. The qualification criteria for the eligible Solution Providers shall include the following. (Additional qualification requirements are given in EOI calling documents).

a) General Experiences

- i. Expressions of Interest must be submitted by a qualified IT services provider legally established in Sri Lanka.
- ii. The proposed IS solution service provider shall have a minimum of seven (7) years of experience, within the past ten (10) years, in developing customized software solutions in Sri Lanka or overseas

b) Specific Experience in contract of similar nature:

- i. **The IS solution must have successfully completed at least two (2) assignments during the last ten (10) years involving Business Process Reengineering (BPR) combined with system implementation.**
- ii. **The Solution Provider should have successfully completed at least two (02) system implementation projects, supported by reference letters. The minimum value of each project must not be less than LKR forty (40) million , and the projects must have been completed within the last Ten (10) years prior to the Bid Submission Deadline.**

c) Average Annual Turnover and Financial Resources

The firm must have an average annual turnover of at least LKR seventy five (75) million over the past five (5) years and average working capital (Current Assets – Current Liabilities) over the past five (5) years must be LKR twelve (12) million.

d) Quality and Security Requirements

- iii. **Bidder shall be certified with ISO 9001:2015 and ISO 27001**
